**HAL COMPLETES SALE OF ITS INTEREST IN
LIVIT**

HAL completed the sale of its ownership interest in Orthopedie Investments Holding B.V. (“Livit”) to Ottobock SE & Co. KGaA (“Ottobock”). The transaction was already announced on February 10, 2022.

Livit manufactures and sells orthopedic and other medical aids to end-customers. Livit operates a network of specialized care centers and fitting locations throughout the Netherlands and was acquired in 2007. Ottobock is a global manufacturer and supplier of medical technology solutions for people with limited mobility in the fields of Prosthetics and NeuroMobility (Orthotics and Wheelchairs) and a leading international provider of Patient Care.
