Explanatory notes to the proposed amendments of the trust deed of HAL Trust
(agenda item 3)

Notes

This document contains an explanation to the proposed amendments to the trust deed of HAL Trust ("**HAL Trust**"), included in the agenda of the extraordinary general meeting of HAL Trust as agenda item 3.

The main changes to the trust deed of HAL Trust as proposed are:

- the removal of the possibility to issue bearer shares and the addition of transitory provisions relating to the exchange and removal of the currently outstanding bearer shares, including all changes that relate to this proposed amendment of the share structure, and the redesignation of "Units" as "Trust Shares";
- clarifications with respect to the continued transparency regarding the relationship between HAL Trust and HAL Holding N.V., including, *inter alia*, by ensuring that all distributions received from HAL Holding N.V. are distributed to the respective HAL Trust Shareholders and that the capital of HAL Holding N.V. and HAL Trust is identical in terms of number of outstanding shares and nominal value; and
- certain other technical changes, updates and clean-ups.

The left column displays the current provisions of the trust deed of HAL Trust for which an amendment is proposed. The middle column displays the proposed amendments. The right column includes an explanation to the amendments where relevant. Additions are shown underlined and deletions are shown by means of ~~strikethrough~~.
